## Guidelines:

1. Youth workers—do not have any other youth worker/friend with you while you are working in the nursery.
2. Watch for broken toys and other small pieces of toys and dispose of when necessary.
3. Read bible stories to the child/children. If videos are used, the youth worker is to watch the child/children not the video. Color or do other activity with the child/children.
4. No snacks please unless the parent brings them in.

## Please Note:

The nursery is for youth newborn—3 years old. Please report to the nursery by 10:00 a.m. (or 9:00 a.m. in the summer) on your scheduled Sunday. There are 30 minute videos that can be shown each week.

If you are unable to serve your scheduled week, please **call another person** on the list to **arrange a trade**. It is your responsibility to find your replacement if you are unable to be there.
