Funeral Meal Coordinator needed The board is looking for a volunteer to be the coordinator for funeral meals. The coordinator would be responsible for contacting individuals to provide dishes (sandwiches, desserts, etc) for funerals and individuals to help serve the meal and cleanup. For more information or questions contact Rocky or Kent Craighton.

***** A very special thank you to Dolores Butt, who for many years, has been the Coordinator. She has recently gone to the care center and is not able to continue her duties. We are very grateful to her for her behind the scenes work and will miss her dedication to this ministry.**
